

Asthma Freindly Schools Recognition Interest

Thank you for your interest in the Florida Asthma Coalition's Asthma Friendly Schools Recognition.

The Florida Asthma Coalition is excited to use American Lung Association's Asthma Basics training, which provides an opportunity for school faculty, staff, parents, and caretakers to become further educated on asthma so that everyone can play a part in minimizing asthma's impact on attendance, academic achievement, and physical activity.

Topics include:

- Basic asthma information**
- Identifying and controlling asthma triggers**
- Understanding asthma medications and the Asthma Action Plan**
- Recognizing the warning signs of an asthma episode or attack**

Please complete the following form and email to the mentor in your region, whose contact information can be found on the map at the end of this form.
