

FLORIDA ASTHMA COALITION

Working together to reduce the burden of asthma in Florida and achieve our mission—that Floridians with asthma achieve optimal health and quality of life.

Learn about our Asthma-Friendly Recognitions

for Schools, Childcare Centers, Hospitals, and Providers

Collaborate and Network with Professionals by Joining a Workgroup:

- Schools and Child Care Workgroup
- Home Visiting Workgroup
- Primary Care Provider Workgroup
- Hospitals Workgroup

Membership is **FREE** and allows members to:

- 👤 Share best practices and contribute ideas to help advance our mission and goals
- 👤 Gain invaluable networking opportunities with like-minded professionals
- 👤 Participate in conferences, summits, webinars, and other educational trainings
- 👤 Receive pertinent asthma-related news and updates from the nation and state
- 👤 Be the first to learn about asthma-related grants and funding opportunities
- 👤 Learn about and contribute to Asthma-Friendly recognition programs
