Instructions to CHES attendees who wish to received Continuing Education Credits for Attendance at the Florida Asthma Coalition 2022 Virtual Summit:

Please fill out all the sessions you attended on the attached fillable pdf; be sure to include your name and CHES number. Be sure to complete your evaluation of each session. Please include your comments—they are helpful to our planning and evaluation of our summits! Please note –there are a number of other speakers and activities at the FAC Summit; **only the sessions listed in the following evaluation forms are available for CHES Ceus, for a maximum total of 4.5 Ceus.**

Once you have completed evaluation forms for all the sessions you have attended, **save your document and email it to us at flasthmacoalition@gmail.com. You will be emailed a Certificate of Attendance, with instructions about how to submit it to NCHEC.**

CHES Continuing Education Evaluation Form

Florida Asthma Coalition, in partnership with Health Council of Southeast Florida
 2022 Virtual Florida Asthma Coalition Summit: Diversity in Asthma Management

June 24, 2022

Session ID: SS1143546_BALP

Participant’s Name _____ CHES# _____

Session Name: Building an Asthma Lifestyle Plan: The Total Lung Connection to Improve Asthma Outcomes

Dr. Don Bukstein, MD, FAAAAI, FACAAI (45 minutes, 0.75 CEU)

How well were the learning objectives met? *(Please evaluate each objective on the scale below)*
 Circle the number that best describes your response, with 5 being the top rating (very well met) and 1 being the bottom rating (not met).

Objective 1: Define and give examples of Lifestyle Plan as a “whole body” approach to managing asthma;

1 = Not met 2 – Not very well met 3 = Somewhat met 4 = Well met 5 = Very well met

Objective 2: Describe how using Shared Decision Making approach to lifestyle changes can change your daily practice;

1 = Not met 2 – Not very well met 3 = Somewhat met 4 = Well met 5 = Very well met

Objective 3: Understand why sleep, exercise, nutrition, stress control, and minimization of adverse environmental factors is an important part of an asthma lifestyle plan.

1 = Not met 2 – Not very well met 3 = Somewhat met 4 = Well met 5 = Very well met

Please rate the speaker on each category in the table blow.

1 = Very Poor 2 = Poor 3 = Fair 4 = Good 5 = Excellent

Speaker	Knowledge of Subject Matter	Organization, Clarity of Presentation	Useful Information	Speaker/ Participant Interaction	Use of Allotted Time	Audio/ Visual Aids	Hand-outs
Dr. Don Bukstein, MD, FAAAAI, FACAAI							

Was the virtual format conducive to learning? ____ Yes ____ No

Provider No. 1143546

Please rate the overall quality of this session on the scale below.

1 = Very Poor 2 = Poor 3 = Fair 4 = Good 5 = Excellent
