

Working together to reduce the burden of asthma in Florida and achieve our mission—that Floridians with asthma achieve optimal health and quality of life.

Learn about our Asthma-Friendly Childcare Center Award

Improve student health, reduce chronic absenteeism, increase academic achievement

Why Earn Asthma-Friendly Childcare Center Recognition:

- Improve student health
- Reduce absenteeism
- Appeal to asthma sensitive families

Earn Recognition at Different Levels:

Bronze:

- Develop Asthma Leadership Team
- Professional development for staff on asthma management (ALA Asthma Basics)
- Student Centered Asthma Support (Asthma Action Plans)
- Asthma Awareness (sharing posters)
- Environmental Triggers Assessment

Silver:

- Asthma Self-Management Education (ASME) for Students with Asthma
- Asthma Education for Parents and Caregivers

Gold:

- Healthy Schools Environment and Indoor Air Quality (IAG) Program

Platinum:

- Comprehensive Asthma Policy and District Level Tobacco Free Schools

This is a tiered system; all previous criterion must be met to reach the next level
